

# RIVERFRONT

## MARKET

***We are looking for vendors for our Riverfront Market. Riverfront Market will be an outdoor event that will happen every month on the sidewalks of Beach St. in front of empty storefronts and office spaces. We have set the dates to be 12/15/2012 and then the second Saturday of the month January thru May. Other sidewalk events have been a great experience for the shops downtown, the vendors, and the customers. We are looking for artists, crafters, wood carvers, those of you with an Etsy store, entrepreneurs starting a business but not in a storefront, or those of you who sell a product you love. Spaces will be \$35 - \$60 depending on the location and size. There will be a discount for signing up for 3 or more months and payment in advance.***

***We have had so many of our customers ask when this type of market would be back that I know the public will be excited to be able to shop for the unique items that only you can offer. Please contact us at 386-310-7817 and ask for Moriah or Tammy to sign up for the months you want.***

***Sincerely,***

***Tammy Kozinski***
