Cinematique to Host East Coast Movie Premiere

May 25, 2013. The Cinematique Theater will host the East Coast premiere of *Corpse-Grinders 3*, a Spanish/ USA production. Local Filmmaker Gary Lester served as second unit director for the scenes shot in the United States.

Corpse-Grinders 3 continues the story started by veteran movie producer Ted V. Mikels of TVM Global Entertainment - Lotus Cat Food is under new management and this time they have improved the recipe even more. A campy horror film that producers say "I would categorize the show as PG-13, with the horror movie loaded with laughs and smiles - more campy than horrific". Local Actors Richard Lester (*Silverado*) and Johnny Martino (*The Godfather*) appear in the film and will attend the premiere and participate in a post film Q&A with Gary Lester.

Screening prior to the feature film is the short film, *The Hit*, which was originally a project for the Producers Guild of America and has enjoyed success on the film festival circuit.
