Libraries plan customer appreciation day

The Volusia County Public Library system is celebrating its patrons with Customer Appreciation Day Wednesday, April 13, during National Library Week.

Patrons and their families are invited to stop by any of the 13 branches to participate in activities and receive novelty items while supplies last.

“Every day we stock the shelves, start the computers and plan programs so we can have happy patrons who visit us again and again,” said Activity Project Manager Karen Poulsen. “On this day, we want to thank our loyal patrons for their support.”

For more information call your local branch or visit the library’s website at www.volusialibrary.org.
