**Library hosts investments basics class**

Why do stocks go up and down? What's the difference between a mutual fund and a bond?

Learn the answers to these questions and more during an investments basics class at 2 p.m. Wednesday, July 20, at the Daytona Beach Regional Library at City Island, 105 E. Magnolia Ave., Daytona Beach.

Scott Weidman, a certified financial planner and president of Savannah Court Financial Advisors, will explain how different types of investments work and the risks associated with them.

Reservations are not required for this free program, which is sponsored by the Friends of the Daytona Beach Library. For information, call Lorri Davis at 386-257-6036, ext. 16154.
