Meet new Launch Pad librarian

Teens can meet the Daytona Beach Regional Library's new Launch Pad librarian, Erica Davis, during the next meeting of the Teen Tech Club at 2 p.m. Saturday, Oct. 8, in the Launch Pad.

They can discuss their craft and tech ideas with Davis, create new worlds with Minecraft, decorate a tile with alcohol ink, and try out some small circuits called LittleBits.

The Launch Pad is the library's makerspace and high-tech zone, where people can embark on a new hobby or launch an education, career or business. Teens use it to explore opportunities in the science, technology, engineering and math (STEM) fields.

For more information, call Deborah Shafer at 386-257-6066, ext. 16264.

The library is open seven days a week at 105 E. Magnolia Ave., Daytona Beach. Hours are 1 to 5 p.m. Sunday, 9 a.m. to 7 p.m. Monday through Thursday, 9 a.m. to 5 p.m. Friday and Saturday.
