Step into an intriguing world of healing sounds with a fascinating history. Unlock the mysteries of the Solfeggio Tones - as ancient as the world itself. Secretly encoded within the Bible and ancient Gregorian Chants, these six octaves or frequencies are strongly believed to be the sounds GOD used in the great creation. Intoned verbally or tuned in instruments, these very same tones are documented to create balance and healing within the body and Mother Earth. Peppered with amazing facts that those familiar with the Solfeggio Tones would not even know, the workshop will lead you into the lives of two men who have been blessed with divine messages to give this gift to the world.

I have incorporated the beautiful tones into my own practice to provide peace and healing for my clients. Be prepared for an afternoon of mystery, magic, and adventure!
