Join Us For The 6th Annual Halifax Oyster & Music Festival!

Truly a "party with a purpose," the Halifax Oyster & Music Festival is a **celebration of who we are as a community and what makes our piece of paradise so special!**

Great local restaurants and food trucks will be providing lots of delicious food. And of course, we will have lots and lots of oysters!

Bring the kids! New this year is Marine Discovery Center's Conservation Carnival for kids. The Conservation Carnival will provide lots of fun and games that will also educate attendees about the importance of our waterways and environment and what they do to help restore healthy oyster beds to Volusia County's Intracoastal Waterway.

More Purpose in the Party. We are pleased to have also joined forces with the **Volusia/Flagler Family YMCA**. This great organization does a lot for the well being of our community. Part of this year's proceeds will go to the YMCA and also to our long time partners, the **Marine Discovery Center**, who heads up the local shoreline restoration project.

Mark your calendar and plan to join us on Saturday, April 25 and Sunday, April 26 on Manatee Island in downtown Daytona Beach! Admission to the island is \$6/person/day - children 10 and under get in FREE!

Special Thanks to our sponsors!

HOPE TO SEE YOU THERE!
