We are proud to present THREE outstanding bands at this year's Riverfront Island Festival! Check out this line-up!

Gary Roland & The Landsharks - A Jimmy Buffett Tribute Band

The Landsharks are a Jimmy Buffett Tribute band based in Orlando, Florida. After performing with The Landsharks, Jimmy Buffett hired them to be the house band at his Margaritaville restaurant at Universal in Orlando. The band is made up of top notch musicians and vocalist that put on a great show and are always a favorite at Parrothead festivals. The Landsharks focus is on being true to the music and like Buffett, they are interactive with the audience making sure *everyone* has lots of fun.

Rob Ellis Peck

Rob Ellis Peck is an absolute master of the harmonica, and outstanding on the guitar and lap steel. As a solo artist Rob is a charismatic entertainer merging Blues, R&B, and Acoustic genres. He is a highly sought after side man and has toured with George Jones,

Leon Everette, and rock legend Bo Diddley. Rob has also shared the stage with Crosby, Stills, and Nash, Roger McGuinn, Warren Haynes, Merle Haggard, Lou Rawls, Bonnie Raitt, and Jefferson Starship. He will be performing solo as well as playing harmonica with The Landsharks.

Windjammer 80's Reunion Band

Windjammer has been at the forefront of the island music scene for over 35 years. With six albums and literally thousands of performances, they were one of the pioneers of American pop-reggae—their influence carried on in the music of groups like Sublime, 311, and Rebelution. Within a couple years of their inception, Windjammer started a seven year engagement in 1982 as the house band at the Ocean Deck in Daytona Beach.

Windjammer is thrilled to have the opportunity to be part of the 2016 Riverfront Island Festival in Daytona to perform some of its repertoire from the 80s. Although the band has continued on in many forms, this will be the first time original members Lawrence App (bass) and Clarence Wears (guitar) have performed as Windjammer in decades. They have enlisted top island musicians Eric Mason (drums) and Selwyn Toby (steel pan) to help them recreate some of their popular songs like “Goin Down To The Beach”, “Smoke

Two Joints”, and “Jump Right In.” Join us! We’re sure it’s gonna be a rockin’ island party.

Admission is free and open to the public.
