

# AL SMITH PRODUCTIONS

## *Join Us For The 7th Annual Halifax Oyster & Music Festival!*

Truly a "party with a purpose," the Halifax Oyster & Music Festival is a **celebration of who we are as a community and what makes our piece of paradise so special!**

Enjoy great music and great local restaurants and food trucks that will be providing lots of delicious food.  
And of course, we will have lots and lots of oysters!

**Bring the kids!** The Marine Discovery Center's Conservation Carnival for kids is back this year. The Conservation Carnival provides lots of fun and games that will also educate attendees about the importance of our waterways and environment and what they do to help restore healthy oyster beds to Volusia County's Intracoastal Waterway.
