SUMMER STAY-CATION MOVIE SERIES AT CINEMATIQUE

The Summer Vacation season is upon us, How about a trip to India, Ukraine, Australia, Iceland, Africa or France! Not in the budget you say?

Cinematique has the perfect summer travel adventure: The Summer Stay-Cation movie series. Movies have the ability to transport us, take us on a journey to faraway lands, and introduce us to new people, places and events. Six such adventures are planned at the Cinematique Theater beginning July 12th.

As you enter the theater you will be greeted by the friendly travel concierge who will issue your passport and themed beverage. Once seated in the comfortable, climate controlled theater, local guest chefs will impress with demonstrations, and samples of food from each country, including the recipe printed for each traveler as a keepsake. Then your travel adventure begins: in high definition and surround sound.

The itinerary for the summer of 2015:
