**Learn how to care for palms**

Did you know that palms are not true trees? They should not be trimmed the same as trees because their growing tip could be damaged.

Learn how to care for landscape palms at 10 a.m. Wednesday, May 11, at the Daytona Beach Regional Library at City Island, 105 E. Magnolia Ave., Daytona Beach.

Joe Sowards, an urban and residential horticulturist with the University of Florida/Volusia County Extension, will offer pointers on selecting, planting, pruning, watering and fertilizing palms.

Reservations are not required. For more information call Adult Program Librarian Lorri Davis at 386-257-6036, ext. 16154.

The free program is co-sponsored by the Friends of the Daytona Beach Library.

The Daytona Beach Regional Library is open from 1 to 5 p.m. Sunday, 9 a.m. to 7 p.m. Monday through Thursday, and 9 a.m. to 5 p.m. Friday and Saturday.
