Learn how to harvest computer parts

It's "harvest time" at the Daytona Beach Regional Library at City Island, which will offer instruction on harvesting computer components from 4 to 6 p.m. Wednesday, Nov. 9.

Launch Pad librarian Erica Davis will show teens and adults how to remove parts from old computers and see how they were made. The group will also explore ideas on what could be made from the components for future library programs.

Reservations are not required. For more information, contact Erica Davis at edavis@volusia.org or 386-257-6036, ext. 16314.

This program is made possible through funding from the Friends of the Daytona Beach Library.

The library is open seven days a week at 105 E. Magnolia Ave., Daytona Beach. Hours are 1 to 5 p.m. Sunday, 9 a.m. to 7 p.m. Monday through Thursday, 9 a.m. to 5 p.m. Friday and Saturday.
