Whether you are an old friend or new arrival, thanks for discovering us.

We are a full-service metaphysics center with much to offer that can assist you in finding peace and fulfillment.

Like others around the world, we at Daytona Books and Metaphysics were greatly saddened by the tragic events that have occurred in the past month in various locales, including the mass shooting in Orlando on June 12. We pray for healing for those affected and solace and serenity for survivors of tragedy everywhere. Although many in our community believe that death is but a transition from one state of being to another, we join in honoring the legacies of those who have been lost and offer all the comfort that we can to those who remain with heavy hearts.

Our Crystal Healing Bed uses Light Therapy to provide metaphysical healing by providing stimulation and balancing for the body's seven Chakras (energy centers)... Improve the health of your body, mind and spirit with a session on our Crystal Healing Bed!

You can experience a 30 minute Tarot Reading with Joe for \$60 or choose an Astrological Chart Interpretation for \$75 (extra time is available if needed)...

Joe comes from a family of storytellers and teachers and has a unique gift for helping people learn how their natal chart influences different aspects of personality and contributes to life experiences via inherent predilections and "gifts from the Angels." He has independently studied Astrology for over 30 years and has been reading the Tarot for over a decade.

Joe is currently available for readings Wednesdays through Mondays... Visit on any of those days or to ensure a Specific date and time, feel free to call the shop to schedule an appointment with him.

Karyn, our Medium and Psychic, is a Minnesota native whose love for Florida grows and grows as she meets and helps so many through her offerings here in our shop; she can help you connect with loved ones in the spirit realm or find answers to questions about the best directions to take in life. Psychic and/or Medium readings are just \$60 (additional time can be purchased at \$2 per minute). Karyn is with us
