Join Hands to Present a New and Exciting Exhibit!*

*"Double Vision: In My Mind's Eye"
A visual experience.*

Opening This Saturday ~ May 6th, 2017 at 10:00 A.M.

This new exhibit is a collaborative photo project by the Bachelor of Science photography students at the University of Central Florida, Daytona Beach Campus. Using vintage photographs of Daytona Beach and the surrounding area from the Halifax Historical Society Museum, the students scanned and cleaned the old photos and creatively combined them with their own photographs of the current area into one visual experience. Two photographs, some 100 years apart, as one. The results are stunning. The Halifax Historical Society Board of Directors are so very grateful for and proud of the UCF students participation in this wonderful exhibit.

This exhibit is sponsored by the **Volusia County Cultural Council** and **Florida Department of State, Division of Cultural Affairs.**
