

Halifax Historical Museum

"Here's to the Ladies" Exhibit!

The new HHSM exhibit
is on display through June, 2013.

Join the ladies of the last century and experience gracious living. Antique fine bone china, crystal, cut glass, porcelain and silver from the collections of

***Cici Brown, Holmes Davis, Maye D. LeVeille,
Alma McMillan, Carol Lively Platig,
Preston Root and Alynn Snyder***

are featured in this exhibit. Antique pieces over one hundred years old take you back to a slower time, a gentler time, when ladies gave afternoon tea parties and always dressed for dinner.
