

Happy Valentine's Day

The Dancing Avocado Kitchen wants to help you celebrate in style!

A special Maravo Valentine's Day Event is planned for Thursday, February 14th, and Saturday, February 16th, at 6:30 pm, and we want to be sure you have a chance to take part. Please join us at the Dancing Avocado Kitchen to celebrate a couple's inspired dinner. Chef Mario calls the ten-course omnivore experience "for the open-minded diner" because guests will enjoy a wide variety of creatively prepared dishes; each leaving you one step closer to bliss. With so many delicious courses, you are able to enjoy your evening never feeling over worked by any single flavor.

Previous Maravo guests comment the events are non-rushed, three hour eating adventures, which surpass the traditional American eating style. If your palate is on game, you'll find that while sipping your way through the wine flight, you're able to anticipate the direction of the next course, whether it's being delicately constructed or deconstructed for you.

It's going to be a blast and we hope to see you there,
